Findings

Strengths:

- Questionnaire.yml extensive questioning covers all kinds. Formatted Neatly and Readable.
- Controller Function code is Readable and formatted Properly.

Issues / Defects:

Description of Issue	Severity (Low/Med/High)	Evidence / Example	Suggested Fix
Needs more description comments	low	Most function calls have only 1 comment. Ex:#creates percentages.	Add a bit more comments to the functions.

		Does not explain what each line does.
